

THE DIDSBURY PIONEER

VOLUME 44: NUMBER 8

DIDSBURY, ALBERTA, WEDNESDAY, FEB. 11, 1948

\$2.00 A YEAR: 5¢ A COPY

TOWN FINANCIAL STATEMENT SHOWS FAVORABLE BALANCE

While the attendance was small at the annual meetings of both the Didsbury School and the Town of Didsbury, held in the Lions Hall Monday evening, February 9th, the only conclusion public officials could come to was that the majority of ratepayers, at least, were well satisfied with the way town and school affairs were being conducted.

At the town meeting the following Councillors gave the yearly reports for the standing committees: Councillor Jas. Calhoun—Public Works.

Councillor Geo. Parsons—Fire, Police and Property.

Councillor H. Bowman—Sanitation.

Councillor Dale Kimmel—Water works.

Mrs. H. Bowman gave the yearly report for the Library Board and Tom Morris reported for the Municipal Hospital.

The financial statement of the Town of Didsbury for 1947 was discussed and from the report it appears that Town finances are in good shape. Starting the year with a bank balance of \$10,310.30, the town ended up the year with \$15,818.13 in the bank. Actual liabilities are only \$912.81.

The above favorable bank balance was accounted for by the collection of \$6,893.72 in tax arrears in 1947.

During 1947 the sum of \$43,468.06 was collected in taxes and arrears, and other collections brought total collections for the year to \$47,568.99.

Total payments for the year amounted to \$42,161.06, which included \$16,997.00 for the operation of local schools.

A hearty vote of thanks was extended to the 1947 Council for their services during the past year.

COMMUNITY CENTRE FUND GRADUALLY INCREASING

The Memorial Community Centre Fund Committee wishes to congratulate those of the Town and district on their splendid showing in raising a total of \$24,750 to start the building of the first project of the Didsbury Memorial Community Centre. This fund will remain in operation for several more months, during which time it is hoped it will increase to the original objective of \$35,000. Such sums as are received will be made available to the new Board of Management to complete the project. Contributions will be received at C.E. Reiber's office or by S.J. Gilson, and official receipts for income tax purposes will be issued.

Memorial Community Centre Fund Committee

FORTY YEARS AGO

February 14, 1908

S.H. Culver, an old-time resident of the district, but now visiting at Marshall, Sask., writes that he is still coyote hunting in that district, and has caught 18 so far, one weighing 45 pounds.

With the installation of the old school bell in the new school Monday, the new structure is now completed with the exception of some painting on the outside woodwork.

The new Methodist Church in Didsbury is rapidly nearing completion and will be ready for the opening services on February 23rd.

The coldest weather recorded this winter in Didsbury was 14 below on January 31st. The highest temperature of the winter was recorded just five days previous when it was 56 above on January 20th.

C.P.R. TRAIN TIME TABLE

Train No.	To Calgary
522	4:51 a.m.
524	11:54 a.m.

525	6:19 p.m.

All the above trains are daily

LADIES' SPORTS CLUB TO HOLD DANCE AT LONE PINE

Despite the cold evening twelve members of the Ladies' Sports Club enjoyed a skating party last Thursday evening at the local rink and afterwards returned to Betty's Beauty Salon, where lunch was served and business discussed. Next Thursday evening, February 12th, the members will meet in the curling rink at 8 o'clock, when it will be decided whether to skate or toboggan.

Plans were made to hold a dance in the Lone Pine Hall on Friday, February 27th. The Merymakers will supply the music for the occasion.

TO PROVIDE PERIODICALS FOR BELCHER PATIENTS

Permanent patients in the Belcher hospital are allowed \$5.00 a month to purchase extras such as cigarettes, papers, etc. These boys look forward to magazines and books which are donated by various people but by the time these periodicals have made the rounds of the wards they are not in very good condition.

A fund has been started in Didsbury to supply the patients with new magazines, and contributions for this purpose will be gladly accepted. A receipt will be given to each donor and the donor's name published in The Pioneer. The money will go towards subscriptions to magazines chosen by the patients and will be handled through the agencies at Law's Drug Store and the Post Office. Contributions will be accepted at these points and also by Mrs. J.R. McDonald, who is soliciting for this cause.

Do your bit to make the hours pass pleasantly for the boys who are unable to get out and enjoy the everyday pleasures of life. The amount of the donation doesn't matter—Just Give!

WESTERDALE NOTES

The mild weather which has been prevalent since the middle of December came to an abrupt end last Tuesday night when a blizzard blew in from the north, drifting in roads and bringing below zero temperatures.

The whist party which was to have been held at the W. Herbert home on February 4th was postponed due to cold weather and the drifted condition of the roads.

Mr. and Mrs. Howard MacLeod of Edmonton visited at the home of Mr. and Mrs. Stan Jackson Saturday and Sunday last. Also visiting at the Herbert home on Sunday last were Mr. and Mrs. Gunnar Nelson of Oils.

The Westerdale Young People's Club held their annual meeting in the hall on January 26th. Following the reading of the financial statement an election of officers was held, with the following taking office: President, Ralph Jackson; vice-president, John Cowie; secretary-treasurer, Mrs. A. Buckley; intellectual, Mrs. S. Jackson; spiritual, R.P. Heaton; athletics, W.H. Herbert and H. Rowell; social, Mrs. H. Herbert, Mrs. R. Jackson, Mrs. L. Jones and Mrs. J. Cowie. Trustees are A. Buckley, W. H. Herbert, J. Cowie, F. Herbert and R. Jackson.

A general meeting of the Young People's Club was held in the hall on Monday, February 2nd, with a good attendance on hand. Discussion of the building of a rink near the hall took place and also the drilling of a well to supply water for flooding purposes. A report was received to the effect that donations of over \$500 had been promised towards the rink project. A committee consisting of R. Jackson, W. Herbert and K. Rowell was appointed to investigate the cost of drilling a well at the rink site.

The Westerdale hockey team defeated the Westcott pucksters by a 2-1 score at the latter's rink on Saturday afternoon. The local boys came from behind in the dying minutes of the game to tie the score on a shot from the stick of Bill Wigley. Dick Phill scored the winning goal in the overtime period. Bob Jackson and Sam Jackson were credited with assists.

The regular meeting of the Rugby A.F.U. for the month of February has been postponed.

BUILDING COMMITTEE APPRECIATES ARENA SUPPORT BY PUBLIC

The Joint Building Committee of the Didsbury Lions Club and the Didsbury branch of the Canadian Legion wishes to take this opportunity to heartily thank all those in the town and district who have given of their time so generously or have assisted in any other way in the erection of the Memorial Arena. We wish also to thank those who supplied us materials and the able staff under John Wright for their efficient and willing help in every way. Without the whole-hearted co-operation of the town and district the building would not now be ready for service, and the fund would now be short another \$9,000 which is the approximate value of the donated labor.

The Building Committee also takes this opportunity to wish the newly-formed Board of Management every success in operating this fine Memorial for the use of the Didsbury district and trust that they may have the fullest support of everyone during the next year or two while they are endeavoring to fully complete the structure.

The retiring Building Committee has found it a pleasure to serve the district in erecting the first project of the Didsbury Memorial Community Centre.

Joint Building Committee, Didsbury Lions Club and Legion

WESTCOTT NEWS NOTES

Mr. Clarence Reinhardt was a Ponoka visitor on Friday last where he had gone to visit his aged father, who is recovering from pneumonia.

Le Roy Benson and Donald Folkman and classmate, Merton Schmidt, of the Red Deer Composite High School, were home for the week end, the latter being a guest at the Folkman home.

Mrs. Jack Robertson was a Calgary visitor on Friday.

Mrs. A. Nevada is suffering from a badly sprained foot and we hope it will soon be better.

The Westerdale hockey team defeated the local lads 3-2 on Saturday afternoon last on Westcott's rink.

There seems to be still more sickness in our district. Mrs. Harry Levauged and Kenneth Folkman are both confined to their beds. We wish them a speedy recovery.

Building on the new Westcott United Church has been progressing very favorably, but is now halted because of the cold weather. Now that the building is taking shape it looks as if it will certainly add to the looks of our community.

Well, it looks as if we're to get winter after all, what with falling temperatures, snow and blocked roads. The lowest temperature registered here last week was 29 below zero. Our teacher was obliged to hold school in the teacherage on one of the colder days because it seemed impossible to heat up the school itself.

We hear that today (Monday) is the 38th anniversary of the Boy Scout movement and in connection we might add that our Scouts are busy practicing their chuck wagon races for the big ice event in Calgary, under the leadership of Mr. Jack Robertson.

TOP-NOTCH PERFORMERS

Shown above are the famous Sweeney Sisters who are among the top-notch performers of the Calgary Glencoe Club Skaters who will participate at the opening of the Didsbury Memorial Arena on Wednesday, February 18th. There are approximately twenty-five performers in the troupe coming to Didsbury for the official opening next Wednesday.

COMMUNITY CENTRE FUND DONATIONS NOW AT \$24,750

Following is a further list of donations received by the Didsbury Memorial Community Centre: H.E. Oke \$100; Tom Morris \$100; Kirby's Meat Market \$100; Wm. Smith \$25.

Total donations to the Community Centre Fund now amount to \$24,750.

COSTS \$31,135.66 TO OPERATE LOCAL SCHOOLS

The auditor's financial statement for Didsbury School District No. 632, which was discussed at the annual school meeting Monday night, showed increased expenditure over the previous year, and total operating expenses in 1947 amounted to \$31,135.66. Of this sum teachers' salaries accounted for the major expenditure, amounting to \$21,527.23.

Taxes levied for school purposes and collected by the town and municipality in 1947 were \$24,364.50. Tuition fees amounted to \$231.50, and with a provincial grant of \$5,057.91 together with minor receipts from sale of goods, the school had \$30,226.21 in actual revenue provided out of taxes, etc.

Operating throughout the year, however, this was insufficient and an additional \$800 was needed from town coffers to complete the year's operation.

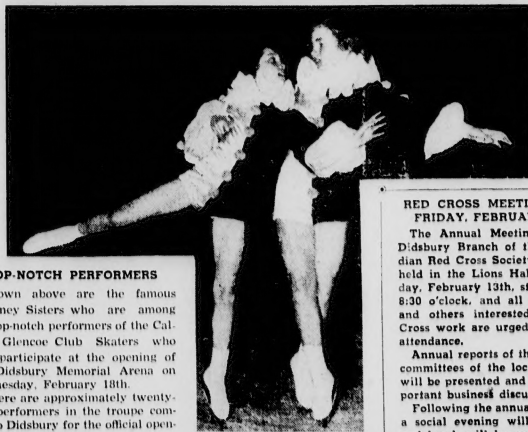

The school still owes \$1,097.50 on a debenture issue, which is not yet due. During the year \$560 was paid in debentures and \$97.50 in interest.

During the year 1947, \$2,794.60 was spent on repairs to the school buildings and Didsbury's two brick schools are reported to be in excellent condition at the present time.

WALTHER LEAGUE PLANS SPORTS TOURNAMENT

The First Commandment and questions related to it were the main topics under discussion at the Walther League meeting held in the basement of the Lutheran Church on Tuesday, February 3rd. On the basis of Sacred Scripture it was shown that God is a Triune God and all three persons, Father, Son and Holy Ghost, must be worshiped. The omission of one Person in worship or the denial that Jesus is the true Son of God, is a transgression of the first commandment. In this connection many interesting questions were discussed, amongst them the question of the lodge. It was shown that a Christian can not, on the basis of the first commandment, join such secret fraternal societies.

During the business session plans were made for the Valentine party to be held on Tuesday, February 10th. Further plans were made to hold an inter-member tournament in various indoor sports events. The joining of an additional member, and the reception of one member as an honorary member has brought the membership to 32. Various games were enjoyed amongst them a new one, Candle bowling. After a tasty luncheon served by Rose Tobler the Leaguers made their way homeward through a blizzard. Two Leaguers were unable to reach home and returned to town for the night.

25 Fancy Skaters to Perform At Arena Opening Feb. 18

The posters are out announcing the grand opening of the first project of Didsbury's Memorial Community Centre, the covered arena, and judging from the program arranged the citizens of this community have a real treat in store for them next Wednesday evening, February 18th. On this occasion the new building is to be officially dedicated in memory of our war heroes and Major-General Penhale, C.B.E., officer commanding the Western Command, will give a short dedication address.

While the program includes hockey games, broomball, etc., the feature attraction will be the Glencoe Club Fancy Skaters who will give a one-hour performance of fancy skating. There will be 25 young ladies and gentlemen in the troupe of fancy skaters and from favorable reports of spectators at other towns and cities where the Glencoe Club fancy skaters have performed, the people of this district are in for a real treat.

The King's Own Calgary Regiment band has been engaged to provide suitable music for the evening and this should prove another feature of the program.

MRS. J.V. BERSCHT HONORED AT LADIES' AID GATHERING

In spite of the cold weather about fifty people gathered in the basement of the Evangelical Church on Monday evening to honor Mrs. J.V. Berscht, who had been president of the Ladies' Aid and Women's Missionary Society for many years. After an enjoyable program, the guest of honor was presented with a gift and a lovely bouquet of flowers. An address was read as an expression of appreciation for Mrs. Berscht's kindly leadership of the groups.

Contests were played and the guests then sat down to a bountiful supper.

MIDGET TEAMS TANGLE IN HOCKEY GAMES SAT.

Two Midget hockey games were played at the Didsbury rink Saturday morning and both games were close contests all the way through. Smoke Eaters took the measure of Canucks by a 6-4 score in one shoters and Ken Kats and Lions battled to a 2-2 tie in the other.

Point getters for Smoke Eaters were Ronnie Morris with 2 goals and 2 assists, Ken Morris with 2 goals and 2 assists and Barney Barrett with 2 goal and 3 assists. For the Lions A. Ginter and D. Gilbrecht each scored a goal. Canucks sharpshooters were Ira Roberts with 1 goal, Ken Sprinkle with 2 goals and 2 assists, and Bill Edwards with 1 goal. Gordon McManis garnered both Ken Kats goals.

The league standing is as follows:

Team	W	L	T	P
Smoke Eaters	4	0	1	0
Lions	2	3	3	5
Canucks	2	3	0	4
Hep Kats	1	3	2	4

Ed Carleton has been confined to bed for the past week with inflammatory rheumatism.

RED CROSS MEETING ON FRIDAY, FEBRUARY 13

The Annual Meeting of the Didsbury Branch of the Canadian Red Cross Society will be held in the Lions Hall on Friday, February 13th, starting at 8:30 o'clock, and all members and others interested in Red Cross work are urged to be in attendance.

Annual reports of the various committees of the local branch will be presented and other important business discussed.

Following the annual meeting a social evening will be held and lunch will be served.

A Midget hockey game between Didsbury and Westerdale, and a Juvenile hockey game between Didsbury and Rosedale are included on the program.

A broomball game between the Lions and Legion members, in costume, has also been arranged. During the evening refreshments will be served in the dressing rooms at the arena.

The Grand Opening of the new covered arena is being jointly sponsored by members of the Didsbury branch of the Canadian Legion and the Didsbury Lions Club and tickets are now being sold for the big event. If you plan on taking in the grand opening of the arena next Wednesday you should purchase your tickets immediately. By so doing you will be eligible for a draw on the Stewart Warner radio being given away as a door prize the evening of the entertainment.

Mervin (Red) Dutton of Calgary, a former well known professional hockey player in the National league, is expected to be present at the official opening of the Memorial Arena on February 18th.

MEMORIAL ARENA OPEN TO PUBLIC FOR SKATING

The Board of Management is pleased to state that there is a fine sheet of ice in the Memorial arena. Until opening night it will be necessary to limit the skating nights in order that the surface may be ready for the official opening on February 18th, and it is hoped that young and old of town and district will make full use of the facility during these open periods. As soon as netting is available and lighting completed hockey will commence.

Mr. George Wilkins has been appointed caretaker for the balance of this season. Ice skating fees have been set at 25 cents for adults, 15 cents for high school students and 10 cents for all public school students. These fees are necessary to cover the operating costs such as light, heat and caretaker's salary. During the remainder of the season there will be no skating fees. Free skating for all next Saturday afternoon, weather permitting.

Mr. Sam Krueger is chairman of the ice skating committee. Mr. Joe Freeman, chairman of the rules and schedule committee for this year. Committees have also been set up on finance and building. The chairman of the Board of Management is Mr. W.H. Payne, the secretary is Mr. S.J. Gilson, and A.W. Reiber is treasurer. Other members are Ed Klinek, Harry Richardson and H. Lynch-Staunton.

One of the major tasks of the new Board will be to complete the structure, and to do this it is estimated that another \$10,000 will be required to put in the blanchers, finish covering the roof and walls and complete the dressing rooms, as well as to look after the obligations outstanding which it has taken over from the Building Committee. A full financial statement will be published about the first of March after it has been approved by the two sponsoring organizations. Some details of schedule and rules follow:

Skating this week: Friday, from 7:30 p.m. to 10:15 p.m.; Saturday, from 2 p.m. to 5 p.m.

Basic Rules
Children 12 years and under to leave the ice at 9 a.m. and to leave the arena by 9:15 p.m.
No smoking allowed in main part of arena.

No smoking by juveniles (under 16) in dressing rooms.
No juveniles (with the exception of picked help) allowed in the rink during closed hours.

Skating periods: No games allowed during the week (the-whits, etc.). No hockey sticks on the ice. Skating in one direction only.

The caretaker can ban any individual from the rink for misbehavior. Re-instatement of privileges can only be made by schedule and rules committee.

THE GRAND OPENING

The first project of the Didsbury Memorial Community Centre, the covered skating rink, has reached the stage where it can be put into operation, and with the ice already prepared plans are being completed for the grand opening on Wednesday evening, February 18th.

The opening of the new arena is another step in the advancement of the Didsbury district, and the building should prove very useful not only to the townspeople for skating and hockey activities in the winter time, but to the country people as well, who will now have a place to conduct stock shows and sales and other functions necessary for the well being of both man and beast.

The program arranged for the grand opening next Wednesday includes a troupe of about 25 fancy skaters from the Glencoe Club in Calgary and the one-hour program being put on by these marvelous skaters will be well-worth the admission price alone.

Plan now to attend the grand opening of the first project of Didsbury's Memorial Community Centre on February 18th. Your presence is needed to make the event a success, and for most people of town and district it will be an opportunity to inspect the new arena to which they have contributed funds so that a fitting living memorial might be erected in honor of our local boys and girls who paid the supreme sacrifice that we at home might enjoy freedom and prosperity.

"TRAINING TO SERVE CANADA"

The world needs self-reliant young people who have a sincere regard for others, irrespective of racial origin or religious belief, said a prominent world figure recently in discussing Boy Scout and Girl Guide Movements. In Canada on Saturday, February 14, some 165,000 boys and girls will begin an annual observance known as Boy Scout-Girl Guide Week. They are proud members of two movements which are training young people in self-reliance with a respect for others regardless of racial or religious beliefs.

That the teachings of Scouting and Guiding are playing a vital role in the moulding of the citizens of the future is reflected in the further comment of the world leader quoted above: "If we can impress upon our youth principles of friendliness and mutual respect, we shall go a long way towards establishing a better understanding among the nations of the world."

It is apparent that as more and more of our children become Scouts and Guides, they will be inspired to do their best to do their duty to God and country, to obey the Scout or Guide Law, and to help others. It is well said that Canadian Scouts and Guides are "Training To Serve Canada." Let us work together to make these programs available to more and more Canadian boys and girls.

CFCN ON 1060 KC.

ON AND AFTER FEBRUARY 15, 1948

On Sunday morning, February 15th, and thereafter, CFCN will broadcast on a new wave length — 1060 kc. The very latest transmitting and aerial equipment throughout.

CFCN would appreciate reports from friends and listeners as to both day and night reception.

Notice is hereby given that a meeting of the electors of the Municipal District of Mountain View No. 49 will be held in the Lions Hall, Didsbury, at one o'clock p.m. on Saturday, February 21, 1948, for the discussion of the affairs of the district.

And that from three o'clock p.m. to four o'clock p.m. on the same day, and at the same place, nominations for the office of councillor and hospital representative will be received.

Three Councillors and Three Hospital Representatives are to be elected.

Councillors are to be elected for the following Electoral Divisions: Division No. 2; Division No. 6; Division No. 7

Hospital Representatives are to be elected for the following Municipal Hospital Divisions:

For Olds Municipal Hospital—
Division No. 1; Division No. 4,
For Didsbury Municipal Hospital,
Division No. 2.

Dated this 12th day of January, 1948.

G.A. YOUNGS,
Returning Officer

The Domestic Animals Act (Municipalities)

SALE AND REDEMPTION OF IMPOUNDED ANIMALS (Sec. 48)

Notice is hereby given under Section 48 of The Domestic Animals Act (Municipalities) that a Dark Brown Mare aged, with star on face and no visible brand, was impounded in the pound kept by Wm. I. Habermehl located on the N.E. 22-31-2-5 on the 13th day of January, A.D. 1948, and that said animal was sold on the 24th day of January, 1948, to Hattie Roberts of Didsbury, and that said animal may be redeemed by the owner or on his behalf within a period of thirty days from the publication of this notice in The Alberta Gazette, upon payment of all fees and costs due to the municipality and the purchaser of said animal.

For information apply to the undersigned.

A. BRUSSO, sec.-treas.,
M.D. Mountain View No. 49,
Didsbury, Alberta.

MOUNTAIN VIEW NOTES

Bobby Jones returned home from Edmonton last week. Good luck, Bob!

Mr. and Mrs. William Bruce and Alice left by train Monday for Edmonton to attend the Dairywomen's convention. Mr. Bruce was a delegate from the Neapolis Cheese factory and Alice was a delegate from the Didsbury Dairy Calf Club.

Little Ralph Bittner was ill with tonsillitis last week. It seems to be going the rounds.

The East Didsbury Beef Calf Club held its meeting Friday at the W. Shultz home with a very good turnout.

John Kohut and Barney Elliott were Calgary visitors Tuesday.

The Mountain View W.I. meeting will be held on Thursday, February 19th at the home of Mrs. Garnet Fitch. All members please attend as there will be important business to discuss. Don't forget that Roll Call will be answered by a home-made Valentine. Bring it with you! There will be a prize awarded for the best.

Agnes Tiehe left Tuesday to take in the winter carnival at Banff.

NOTICE OF ANNUAL MEETING

The Annual Meeting of the Neapolis Co-operative Dairy Association will be held in the Neapolis Cheese Factory on Tuesday, February 17, 1948, at 1:30 p.m.

G.S. TIGHE,
Secretary-Treasurer

TOWN OF DIDSBURY

MUNICIPAL ELECTIONS—1948

Public notice is hereby given that I will attend at my office in the Town of Didsbury on Monday, the 16th day of February, 1948, from 11:00 o'clock in the forenoon until 12:00 o'clock noon, for the purpose of receiving nominations of candidates for the office of Councillor for the next ensuing three years, and for the office of representative to the Didsbury Municipal Hospital Board for the ensuing two years.

Given under my hand at Didsbury, Alberta, this 2nd day of February, A.D., 1948.

F. L. EVANS,
Returning Officer

Didsbury School District No. 652

SCHOOL TRUSTEE ELECTIONS (1948)

Public notice is hereby given that I will attend at my office on Monday, the 16th day of February, 1948, from 11:00 o'clock in the forenoon until 12:00 o'clock noon, for the purpose of receiving nominations of candidates for the office of School Trustee for the ensuing two years.

Given under my hand at Didsbury, Alberta, this 2nd day of February, A.D., 1948.

F. L. EVANS,
Returning Officer

CAR IMPORT OUTLOOK NOT VERY PROMISING

The government's import restriction plan for the auto industry has begun to take shape and the outline seemed to promise some rigid automotive belt tightening, says The Financial Post.

For car-hungry Canadian, particularly those waiting for higher price models, the shape of things to come appeared to be anything but bright.

Talks with some top executives

suggest that it is almost certain that more expensive makes like Cadillac, Packards, Lincolns and Buicks are going to be almost as scarce as Stanley Steamers.

To a lesser degree, the outlook is gloomy for other less expensive imported American cars, particularly new makes like Kaiser-Frazer. Some lines of small volume trucks are almost certain to be discontinued in the industry's scramble to stretch its quota of U.S. dollars to the limit.

The last resort, The Post is told, will be to tamper with production of the low-price popular makes

made in Canada. But if the dollar-saving program is as severe as some expect it to be, it might come to this.

Even without this, 1948 supply is expected to be tighter than at any time during the post-war period to date.

13,503 PENSIONERS IN ALBERTA

Old age pensioners in Alberta at the end of December had reached a record total of 13,503, A. Blackie, superintendent reported recently. This is an increase of 801 over the total at the end of 1946.

BERGEN NOTES

Trygve Haug has a new three-ton truck. Trygve and family were Sunday visitors at the Bill Gamble home.

Leonard Meckelberg and family visited at the Gamble home Monday.

Mr. and Mrs. John Gamble of Big Valley visited at Bergen on Thursday.

The Eskesen Bros. have purchased three quarter sections from Bob Stevens.

BURNSIDE NEWS NOTES

Walter McCulloch was a Calgary visitor Friday.

The annual meeting of the Lone Pine hall ratepayers will be held at the hall on Friday, February 21st. It is hoped that a good crowd will turn out so that all complaints can be aired at the meeting.

Mr. and Mrs. Sandy Brander were Calgary visitors Thursday last and returned home before the snow storm.

Mrs. Wright of Eatonia, Saskatchewan, is visiting in the district with her son, Gordon Rathburn, and family.

Bill Hughes and his two sisters, Alwyn and Mrs. Jack Underhay, were Calgary visitors Tuesday. The storm held them up on their way back and they spent the night at the Dave Pratt home.

Norma McCulloch journeyed to Calgary Friday to attend the Technical school dance and banquet in the Palliser hotel.

Donald Thompson and Arnold McCulloch, who are attending technical school in Calgary, spent the week end at their homes in the district.

Mr. and Mrs. Sam Elliott and Mr. and Mrs. Joe Hunter and family were Sunday guests at the home of Mr. and Mrs. Gordon Rathburn.

SCHOOL RECESSES

Need for strict observance of breaks in class routine in school is the subject of a pronouncement from the Department of National Health and Welfare, Ottawa. The health officers point out that recesses should be observed carefully. Class rooms should be given a chance to air and both teachers and pupils given the benefit of a short spell of freedom from instruction and study.

PLAY FOR ALL

Children whose delicate or handicapped condition does not permit them to join in the more boisterous games, should be included in some form of recreational activity. The Department of National Health and Welfare, in a message to parents, points out that there are games which any child may enjoy, no matter what his constitution. And only in competitive games can a child learn necessary self-reliance and retain the sense of belonging to the social group.

'PIONEER' ANNOUNCES DISTRIBUTION OF FORTUITOUS PROFIT ON OATS AND BARLEY SOLD UNDER PRICE CEILINGS

All customers of 'Pioneer' Elevators are requested to call at their elevator and receive a cheque covering an additional payment on oats and barley delivered during the current crop season, between August 1st and October 21st, 1947, when price ceilings were in effect.

This payment is an interim distribution of the fortuitous profit made by the Company on oats and barley which it had on hand, and unpaid, when price ceilings were removed on October 21st.

This payment is 12 cents on oats and 10 cents on barley.

Final payment will be made at a later date.

IT PAYS TO PULL TO THE 'PIONEER'

The government has also promised to make some adjustment to farmers on oats and barley delivered at ceiling prices between August 1st and October 21st, 1947. We trust they will take definite action to implement this promise in the near future.

CHEVROLET and ONLY Chevrolet IS FIRST!

FIRST in PRODUCTION, in SALES and in REGISTRATIONS of passenger cars

FIRST in Passenger Car Production in 1947—according to published production figures.

FIRST in Passenger Car Sales in 1947—according to conclusive sales records.

FIRST to Produce over a Million Cars and Trucks in a postwar year, 1947, in Canada and the United States—according to published production figures.

FIRST in Total Passenger Car Production and Sales for the total 17-year period, January, 1931, to January, 1948—according to published figures.

A PRODUCT OF CHEVROLET GENERAL MOTORS

WE, your local Chevrolet Dealers—and every other Chevrolet dealer in Canada—are proud and happy to make the following report to buyers and prospective buyers of Chevrolet products:

Again, in 1947, Chevrolet built and sold more cars than any other maker in the industry, just as Chevrolet has built and sold more cars than any other maker for the last seventeen-year period, dating from January, 1931, to January, 1948—the modern period of motor car history!

Naturally, we as well as General Motors are proud of this outspoken preference for Chevrolets, and we are determined to do everything in our power to continue to deserve this preference.

We thank every person in this community for his friendship and goodwill for our organization. We are doing our level best to fill orders for new Chevrolets just as promptly as we can—and we deeply appreciate the patience and understanding of all our customers who are awaiting deliveries of new Chevrolets.

Needless to say, you buy wisely when you buy the product of the world's largest producers of cars, for that is the way to maximum dollar value. Until we can fill your order for a new Chevrolet, please let us help to keep your present car in good running condition by bringing it to us for skilled service.

EDFORD MOTORS

CHEVROLET AND OLDSMOBILE DEALERS

ED FORD, Prop.

Phone 58, Didsbury

"She sure hauls them!"

WHEN BILL and his crew go into the woods now, they get timber out twice as fast as they used to. That new tractor Bill bought really handles those logs!

Back in town, the saw-mill is running full blast, taking all Bill's crew can deliver... And this extra activity, this extra income spreading around through the community is largely due to the fact that Bill went to see his bank manager and arranged a loan to buy the tractor...

In lumbering towns and rural hamlets, in big seaports and tiny fishing villages, bank credit — money at work — helps to increase business activity in whole communities. Your bank manager's job is to help men and women grasp opportunities and to put the bank's facilities to work for you and your neighbours.

THIS IS ONE INSTANCE OF how Canada's 3,200 branch banks play their part in the daily life and work of Canadians.

SPONSORED BY YOUR CHARTERED BANK

TS-4C

300 MILLION DOLLAR YIELD SEEN FROM LEDUC FIELD

J.H. Ramsay of Fredericton was elected president of the Canadian Institute of Surveying recently at the conclusion of the organization's 41st annual meeting. He succeeds Arthur O. Gorman of Ottawa.

J.H. Holloway, Edmonton, is Alberta representative. Describing Alberta's new Leduc oil field, he said it was "pretty well assured" that the field would eventually supply \$300,000,000 worth of oil which otherwise would have had to be imported from the United States.

If new equipment is available, Mr. Holloway said, it is expected that between 150 and 200 new wells will be brought into production in 1948. The area now has 39 producing wells, and 24 are being drilled.

495 LOANS MADE BY ALBERTA FARMERS IN 1947

Alberta farmers borrowed \$436,276 through 495 loans under the provisions of the Farm Improvement Loans Act during 1947 for the purpose of construction or repairs to farm buildings.

The Alberta branches of the chartered banks made the loans under a partial Government guarantee against loss which is a provision of the Act.

Learning for the construction of a new farm home or utility building or the carrying out of repairs, alterations and additions to existing buildings was 39.61% greater in Alberta during 1947 than in the previous year.

In 1946, 414 loans were made to an amount of \$312,492.79 under the section of F.I.L.A. which provides for this phase of farm improvements.

Alberta led all other western provinces for 1947 with the amount borrowed by its farmers for this purpose.

POLICE ACT TO CHECK GLARING HEADLIGHTS

In a fresh effort to reduce the number of highway accidents, the R.M.C.P. has initiated a close check on glaring headlights, according to information received by officials of the Alberta Motor Association.

The police have completed a survey of the causes of accidents on the highways. This reveals that the majority have been caused by glaring lights, or at least they have been the contributing factor in a great percentage of cases involving loss of life or physical injury and property damage.

Thus police have decided to enforce regulations dealing with glaring headlights.

The Vehicle and Highways Traffic Act provides that "On approaching or being approached by another vehicle proceeding in the opposite direction, and when within not less than 200 yards of it, any person in charge of a motor vehicle whether in motion or stationary which is equipped with electric headlamps shall dim or drop such headlamps."

CHILD'S PLAY

Properly-conducted competitive sports are essential to development of young people, according to health officers of the Department of National Health and Welfare, Ottawa. Pointing out that organized games will teach youngsters that they are members of society, the Department states that sports show players that others have rights, capacities, ambitions and feelings similar to their own. Health authorities advise parent to encourage children to play with other youngsters.

LENTEN RECIPE

This is perhaps the oldest Lenten recipe known to man. It dates back almost 2,000 years and it comprises only one sentence: "Behold the Lamb of God which taketh away the sin of the world!"

These are the days when every man, woman and child in this community is asked to give serious thought to the death of Jesus Christ and its meaning for every human life.

Christ, the only begotten Son of God, died, not as a martyr, not as an example, not as the founder of a new religion — but as the Substitute for all mankind. "The Lord

laid on Him the iniquity of us all. He died for our sins." Those words form the heart and center of the Lenten message.

Have you found forgiveness of sins and life eternal in the death of Jesus Christ? If not, no Lenten recipe is more important for you than attendance at our church throughout the coming weeks. Mid-week Lenten services will be conducted at Re-former Lutheran Church every Wednesday evening at 8 p.m., beginning Ash Wednesday, February 11th. The general topic of these special services will be "The Seven Words of The Savior Spoken On The Cross." You are more than welcome.

THE WORLD'S FUTURE IS BEING DECIDED NOW

OUR TOMORROWS depend on what happens to the world's children TODAY. In ruined lands around the globe there are millions of them in misery — scrambling for shreds of food on garbage dumps, shivering in rags. On the continent of Europe, half the children born since the war are already dead of malnutrition. Those who survive — there and elsewhere — are desperately in need of food and clothing. They need schooling, too, for their neglected minds grow as sick as their withered bodies.

They are the future ... if they are not saved, our world is lost!

Canadian Appeal for Children is now conducting its campaign to meet the challenge of these desperate and immediate needs. This is a campaign by the people of Canada, with a minimum objective of \$10,000,000 to provide food, clothing and school supplies for the children — safeguard the health of expectant and nursing mothers — in devastated lands around the world.

Wherever possible, all donations will be used for the purchase of Canadian goods, and the distribution of goods will be under the direction

of responsible United Nations operating agencies.

Your help is needed now. You sympathize. You want to give. But goodwill and good wishes are not enough. Since you may not be canvassed, don't let failure to act be on your conscience. Any BANK will accept your donation. Turn your sympathy and good wishes into a tangible contribution — go to your bank now and give.

FARMERS AND MEMBERS OF CO-OPERATIVES: consult your local organization as to the best way to make your contribution.

-: DISTRICT NEWS:-

NOTES FROM THE EAST

The Jutland school meeting was again postponed on account of the date conflicting with the annual telephone meeting, and the new date of the school meeting has been set for Saturday, February 14th.

The East Didsbury Calf Club met on Friday afternoon at the home of Mr. Wm. Shultz with 11 members present and one new member joining the club. Mr. Hugh McPhail and Mr. Sandy Brander took charge of the meeting and the first item on the program was the judging of dairy cattle. There were as many visitors present as there were members, and some of the parents said they learned some things about judging cattle which they hadn't previously known.

During the business part of the Calf Club meeting it was decided to accept an invitation from the Olds Calf Club to meet with them at the home of Eddie Noad on March 6th. Lyle Shultz and Leslie Schumaker spoke on subjects relating to diseases common to calves. Mr. McPhail gave topics to June Richardson, Gladys and Lois Shells for the next meeting, to be held on April 2nd at Harry Richardson's. Mrs. Shultz served a delightful lunch to the guests present.

Miss Hannah Neufeld and Mrs. Abe Neufeld of Didsbury were Olds visitors last Saturday.

Mr. and Mrs. Wm. Lyons and Howard were supper guests on Monday at the Coates home. Mrs. Joe Odde left Saturday for her home at Landline after visiting with her daughter, Mrs. Harold Shells.

Several of the Jutland residents were caught in the storm last Tuesday night despite the storm warnings announced over the radio.

A pound sale of two work horses, a bay and a black, will be held at the Fred Metz pound next Monday afternoon at 2 p.m.

Mr. and Mrs. Herb Zeigler and Mr. and Mrs. Pete Schumaker were supper guests with Mr. and Mrs. Alfie Thompson on Sunday.

Mr. and Mrs. Sandy Brander, Mrs. Jack Underley, Miss Aileen Hughes and Bill Hughes were all visitors in Calgary last Tuesday.

Don't forget the annual hall board meeting on February 20th. Come out and see where your money is going and bring your cards along, we'll have a little game.

Mr. and Mrs. Sandy Brander and family, Mr. and Mrs. Jack Boulton of Calgary and Mr. and Mrs. Ed McNeil were dinner guests Sunday, Feb. 1st, with Mr. and Mrs. Bob McCulloch.

Miss Dann spent the week end visiting in Calgary.

MR. AND MRS. PETE JANZEN OBSERVE 25TH ANNIVERSARY

Mr. and Mrs. Pete Janzen observed their silver wedding anniversary Sunday with a gathering of friends and relatives at their home in Didsbury. The honored couple were presented with a number of lovely gifts including a silver tea service, an electric clock with door chimes, casseroles and cakes plates, etc.

The evening was spent in playing games and the rendition of a number of musical selections. The evening closed with the serving of a delicious lunch.

IRA. E. SCOTT VISITING GRANDMOTHER, 103, IN EAST

Ira. E. Scott, a well known farmer in the district west of Didsbury, left recently on a trip to Ontario and New York. He will visit with his mother, Mrs. Catherine E. Scott, and grandmother, Mrs. Elbert, who is 103. He will also visit relatives in Toronto.

CREMONA NEWS

Blizzard and drifting of snow Tuesday night and Wednesday blocked all roads around Cremona. There was no mail Wednesday and the Cremona Transport, driven by Adam Leinweber, did not get to Calgary until Friday. Few students attended school Wednesday and those that were there were all from town. The principal, Mr. Reid, did not get to school Wednesday, nor did the two vans. Few attended the picture show on Tuesday night, and the operator of the show and three truck drivers stayed in town all night. The Ladies' Aid and Young People postponed their meetings. The junior hockey team also postponed two hockey games. However, the snow plow arrived Friday and roads in the district are again being opened up.

Jake Wiebe's brother, George, of Didsbury is staying over the week end with Jake.

Alex Hettlinger and Marvin were Calgary visitors Saturday.

Flu is still prevalent in the district. Those ill with it are Donna Ayles and Mrs. Rawleigh. Orville Tippe has a slight case of pneumonia.

Don't forget the carnival on Friday, February 13th.

We note that the Parsons' saw mill at Cremona has the log yard nearly filled up. The spring sawing will soon be under way if road conditions improve enough to warrant 'mopping up' operations in the woods.

Reg. Johnston, who is logging for Wayne Stringer at Elkton was in town over the week end. His car has a bad cold and ice in its joints so he left it at one of the Cremona car hospitals for treatment.

The storm and road conditions held up the town's trucking service for a day of two but everything is back on schedule again, the Leinweber truck going to and from Calgary on Mondays and Thursdays each week.

A regular meeting of the Modern Woodmen of America will be held in the Women's Hall on Wednesday, February 11th. The meeting was postponed one week because of road conditions.

It is noted that Bill Tippe is rebuilding and reinforcing the booths in his cafe.

Nola Waterstreet slipped on an icy sidewalk a few evenings ago and made a one-point landing. Damage to the walk was not extensive and a few planks and some spikes will make it as good as new.

J.V. Berscht was a business visitor to Calgary Tuesday. Mr. Dedels accompanied him to the city.

Mr. and Mrs. Gordon Reist returned Saturday from a two weeks' visit at Grande Prairie.

The past week has been the coldest of the season with the temperature dropping to 25 below zero Monday night. However, Tuesday morning the weather moderated and it is hoped our winter weather is over.

LOCAL NEWS

—Don't forget the dance at Rugby Hall on Friday, February 13th. Halliday's orchestra will supply the music. Admission, \$1.00 per couple, including lunch. 3-4c

Douglas Wordie, who has been a teaching assistant while studying at the University of California, Berkeley, California, has been granted a Fellowship. This will enable him to spend more time on cancer research.

—The Texaco Garage will be open for service on Sunday, Wednesday, and each evening until 9.00 p.m. during the week of February 15th.

Dick Duquette underwent an appendix operation in the Didsbury hospital last Wednesday.

For prompt trucking service phone G.C. Archer at R706. 4-2p

Mr. and Mrs. Ed Buhr and Mr. and Mrs. Arden Deadrick attended the University of Alberta mixed chorus concert in Calgary Friday evening.

Knox United Church W.A.'s will hold a Valentine Tea in Knox United Church basement on Saturday, February 14th, from 3 to 6 p.m.

Mrs. L.J. Wrigglesworth was a Calgary visitor Friday.

The regular meeting of Mons Chapter I.O.D.E. will be held in the Lions Hall on Thursday, February 12th, at 8.30 p.m.

Despite blizzard conditions fourteen members of St. Hilda's Chapter O.E.S. attended the 21st anniversary celebration of the Carstairs Chapter of the O.E.S. held in Carstairs last Tuesday evening, February 3rd.

Mr. and Mrs. Len Berscht and daughter, Judy, returned home from Edmonton Saturday, where Len had taken part in the annual Edmonton bontspiel.

Mr. Bob Jones is back from the University hospital where he underwent a major stomach operation. Although weighing only 95 pounds he is feeling fine. The operation required the removal of almost all of his stomach and necessitates him eating every hour. We wish him a speedy recovery to normal health.

Mrs. Eileen Reiber received word this week that she had been accepted as an associate member in the Alberta Society of Artists. As admission into this society depends entirely on the quality of art work submitted by a prospective member Mrs. Reiber has been highly honored.

Mrs. Ivan Weber returned to her home Sunday after spending the past ten days in hospital.

Aaron Klassen of the head office staff of Builders' Hardware in Calgary, was a business visitor in Didsbury Tuesday.

KEEP CALM

The well, and well-poised, person has all emotions under control, is calm and not easily disturbed. So, says the Department of National Health and Welfare, chronic crossness and irritability is a sure sign of poor health, and the person who persistently "flies off the handle" should see the family doctor. While admitting that everyone has "off-days", the health authorities declare that no one should be grouchy all the time.

NOTES FROM THE WEST

Mrs. H. Hosegood left for Clive on Saturday to visit her father who has been on the sick list for the past few weeks. Miss Violet Russell is staying with the girls during her absence.

We were beginning to think that we weren't going to have any good old-fashioned weather this winter, but the past week has made us change our minds as it has been below zero almost every day. The blind line was drifted in places but Adam was through with the snow plow Friday. Prior to that the Westcott road, which remained open, had been used.

Mrs. D. Hosegood spent the week end in Calgary visiting her parents, Mr. and Mrs. G. Monck.

Despite below zero weather, the Elton boys travelled to Sundre on Sunday to play hockey. The team returned victorious by a 2-1 score, and also had a few frozen toes, ears, etc. thrown in.

Mr. Arnold Hogg was a Calgary visitor on Friday paying another visit to the dentist.

Owing to the bad weather and drifted roads the Rugby W.I. postponed its annual meeting from last Thursday till Tuesday.

The whist drive which was to have been held Wednesday last at the home of Mrs. M. Campbell Jr. will be held at a later date.

Bob Konechuk spent the week end with his sister, Mrs. S. Johnson, in Carstairs.
